Body figure reshaping and rejuvenating line for people **from the age of 50.**

A highly effective treatment that is performed in a professional beauty salon.
Besides, it includes some products to extend its effects in the comfort of your home.

IT OVERCOMES TIME

IT RESHAPES, REJUVENATES

An exclusive line of complete body treatment and care, in&out, which reshapes and rejuvenates the body silhouette from the age of 50, making it show more defined, slender, firm and rejuvenated.

AN EFFECTIVE IN&OUT TREATMENT

It has:

- ✓ A professional treatment in the beauty salon.
- ✓ A follow-up home treatment.
- ✓ An inner treatment.

Body Sculpture Age 50+ by Tegoder Cosmetics bases its effectiveness on the **BENEFITS OF CINNAMON**, in synergy with avant-garde ingredients, including the **REISHI MUSHROOM**, known in Eastern culture as the 'mushroom of eternal youth', **FISETIN**, **FRAMBINONE**, **GROWTH FACTORS AND PURE AND BIOLOGICAL HYALURONIC ACID**.

*Certified by Ecocert.

4 ACTIONS

+ DETOX LIPOLYTIC RESHAPING ANTI-AGEING

+ Cinnamon essential oil
Feeling of positivity, calm and serenity.

Body Sculpture Age 50+, because of the addition of cinnamon essential oil in the products of the line, provides a feeling of positivity, calm and serenity.

HOME TREATMENT AND CARE

In order to increase the duration of the effects achieved with the treatment in the beauty salon, continue at home by taking the **B29 Remodel detox instant** infusion every day and the application, once a day, of the two products included in the **Body Sculpture Age 50+ Pack**.

Home treatment and skincare products

B29 REMODEL DETOX INSTANT
An infusion for daily use with slimming, detoxifying and anti-ageing action.

BODY SCULPTURE AGE 50+ PACK
Body treatment pack with detox, reshaping and anti-ageing action, consisting of:
• Termodetox Concentrate 150 ml.
• Remodel Cream 200 ml.

PROFESSIONAL TREATMENT IN THE BEAUTY SALON

In the preparation phase, start the professional treatment by taking the **B29 REMODEL DETOX INSTANT** infusion, which begins to act from the inside. Then, lying on the bench, the following three phases of professional treatment will take place:

- Detoxifying, thermoactive and anti-ageing phase.
- Lipo-slimming and anti-ageing phase.
- Reshaping and anti-ageing phase.

Body Sculpture Age 50+ offers a complete professional treatment that includes the most advanced techniques. It is worth outstanding the **exclusive Re-Model massage** by Tegoder Cosmetics, a new concept of aesthetic massage inspired by lymphatic drainage together with some **effective shaping techniques**. At the same time, it provides pleasant sensations, in order to achieve, with all this, **highly satisfactory results that turns into a more defined, slender, firm and rejuvenated body**.

APPLY Termodetox Concentrate

Apply **Termodetox Concentrate** with heating effect on cleansed skin, as the first treatment product, using the following movements.

1 Massage the legs from the ankle to the groin area.

2 Carry out circular movements on the groin area.

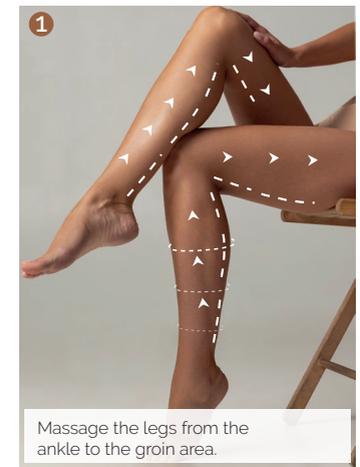

3 Circular movements throughout the abdomen area.

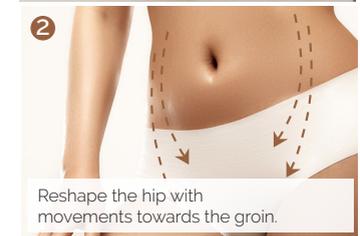

4 Dragging movements from the elbow to the armpit. Insist on the armpits with circular movements.

APPLY Remodel Cream

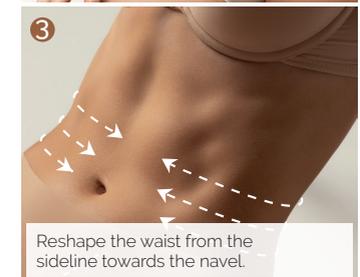

End up with **Remodel Cream**, by means of a reshaping massage.

1 Massage the legs from the ankle to the groin area.

2 Reshape the hip with movements towards the groin.

3 Reshape the waist from the sideline towards the navel.

4 Dragging movements from the elbow to the armpit.
